GUEST LECTURE ON "DATA SCIENCE"

Date of Event   : 04-09-2019

No of Participants   : 73

Participants   : III CSE Students

Venue   : Linux Lab, Room No. 305, Block-II, CMR Engineering College

Report:

Mr. M. Surya Teja, ML Engineer was the Speaker for the Guest Lecture program. Having more than two years of experience in developing proof of concept IOT and Machine Learning problem statements . Total 73 students from CSE branch has attended for this program. The duration of the program was 6 Hours.

In the part of Guest Lecture the speaker delivered his lecture on Introduction to Data Science, How the Data can be recognized, Importance and implementation of Machine learning in Data Science, Working on IBM cloud, Building an AI chat-Bot using the IBM-Cloud, How to Secure the Data in cloud Storages and Advantages of Data Analysis and Big Data concepts, the basic need of the Data Science in identifying the patterns of the things and situations, the usage of data to predict the instance of the mere particular situation at particular time-by using the AI+ML. Image Recognition algorithm and its working in the data flow in different streams.
