**Industrial Visit Report – MOBILEIRON**

**Date: 23-10-2019**

**View about our visit to Mobileiron:**

- We are very much excited to visit the MNC company MOBILEIRON.
- It was a great experience for us; we are a group of 34 members who had an industrial visit to MOBILEIRON on 23-10-2019.

**About MOBILEIRON:**

The company was founded in 2007 by Ajay Mishra and Suresh Batchu and is headquartered in Mountain View, California. MobileIron was an early pioneer in mobile security and management for smartphones and tablet computers, such as iPhone, iPad, Android, and earlier mobile devices such as Symbian and Windows Phone. After its share price fell from \$9 at the time of the IPO to below \$4 in early 2016, the company's founding CEO Bob Tinker was replaced by Barry Mainz as CEO, but remained on the company's board of directors. Simon Biddiscombe was appointed CEO in October 2017.

### ***Special talk given on “MOBILE CENTRIC ZERO TRUST SECURITY” by Mr.Gaurav Kamra, HR and Director, Mr.Chandrasekhar Fani Velvadapu, Sr.Software Engineer :***

- When we entered Mobileiron campus, we were overwhelmed by their discipline and gestures.
- As soon as we entered the conference room, they made us comfortable by conducting our introduction through speech.
- The Presentation given by **Mr.Gaurav Kamra, HR and Director, Mr.Chandrasekhar Fani Velvadapu, Sr.Software Engineer** on “MOBILE CENTRIC ZERO TRUST SECURITY” Project was highly valuable.
- They introduced us to current Trends in mobile security.
- They explained how projects are carried out and what role an individual plays in handling a project.
- We post many questions and they answered all of them with very patience.
- They said “believe in you” is the only line , which can change you a lot in your life
- The lunch provided by them was hygienic and delicious; the **Mr.Gaurav Kamra, HR and Director,Mr.Chandrasekhar Fani Velvadapu, Sr.Software Engineer** also joined us for lunch.
