

## DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

### GUEST LECTURE ON

### “E-YENTRA -INTRODUCTION TO ROBOTICS”

**Name of the Guest:** Dr. Saraswathi Kruti Vasan,  
Professor, Department of CSE, IIT Bombay.

**Date of Guest Lecture:** 16-9-2016 & 16-9-2016

**No. of Students:** 60

**Year / Semester:** III / I & II / I

**Venue:** Seminar Hall, Block II.

**Faculty Coordinator:** Dr. E. Rajesh

The e-Yantra project is sponsored by the Ministry of Human Resource Development, under the National Mission for Education through ICT, to provide hands-on learning infrastructure to students who have limited access to labs and mentors. It aims to make students aware about how technology can be used to solve many problems that we face in our day-to-day lives and also provide a common platform to showcase their talent. The lecture was about the recent technologies used in robotics, what are the requirements of the industries and basic details about robots..She also showed students videos and animations of Latest Technologies adopted in modern industries.
