Place:Date:

Particulars of the Registration fee:

Cash / Cheque / Online Transfer

Faculty Sign.

I recommend the above Faculty
Member /Research Scholar for the above
said Refresher Course on

“Engineering Mathematics”

Signature of the Head of the Institution

RESOURCE PERSONS

Experts from NIT Warangal,
BITS Campus, Hyderabad,
JNTU(H), Central University (H),
Osmania University, CBIT , Vasavi,
Matrusri , VNR VJIET , BV RAJU
etc., are being invited to deliver
course topics.

CHIEF PATRONS

Sri. Ch. Narasimha Reddy
Chairman

Sri. Ch. Bhoopal Reddy
Vice-Chairman

Sri. Ch. Srisailam Reddy
Secretary & Correspondent

PATRONS

Dr. A.S. Reddy
Principal

Dr.K.S.Reddy
Dean(Academics)

Convener

Dr. K.V .Reddy

Refresher course on

“Engineering Mathematics”

12th -17th June 2017

Organized

By

Department of S & H

Venue: Seminar hall, Block - I
CMREC

CMR ENGINEERING COLLEGE

(Accredited by NBA, Approved by AICTE,
Affiliated to JNTUH)
Kandlakoya (V), Medchal Road,
Medchal district. - 501401
Telephone: 08418-200037
Cell: +919248727228

Email: principal@cmrec.ac.in
www.cmrec.org

About Cmrec:

CMR Engineering College is a light house of knowledge, perched on the shores of higher technical education in Telangana . It is one of the best choices to pursue engineering. It is the brain child of the clairvoyant Ch. Narasimha Reddy. CMREC was established in 2010 in 10 Acres and built up area of 4,785.78 sq.m with a single minded aim to provide a perfect platform to students in academic and overall personality development.

The college is accredited by NBA, approved by the All India Council for Technical Education, New Delhi and is affiliated to JNT University, Hyderabad. CMREC is offering four under graduate courses in ECE, CSE, IT and MECH and post graduate courses in ECE, CSE and Mechanical Engineering.

The management of CMREC is a combination of experience & management skills , supported by a team of dedicated & highly successful faculty.

The college has State of art infrastructure, includes labs with high quality equipment and rich collection of Library Books and is having excellent facilities for extracurricular activities such as indoor and outdoor sports , NSS , health centre , various clubs etc., so that the students have overall personality development.

About Department: The Department of Sciences & Humanities is a multi-disciplinary department with English, Mathematics, Physics, Chemistry, Commerce & Management Sciences. The Department was started in the year 2010 along with other Engineering Departments and has established itself as a dynamic centre for academic and research activities.

Objective of the Program : This Refresher Course is specialized program for career development of various Mathematics Faculty. The programme enables the participants to develop competence in Engineering Mathematics, understand recent advances in mathematics research. It serves as a platform to improve teaching techniques, effective presentation, and skills to become an effective teacher. Resource persons having a rich knowledge and experience in Mathematics from various Universities, Autonomous Engineering Colleges and other institutions are invited to deliver their lectures.

Topics to be Covered :

1. Numerical Methods
2. Differential Equations
3. Fourier Series and Transforms.
4. Laplace Transforms & its applications.
5. Vector Calculus.
6. Complex Analysis.
7. Probability and Statistics

Eligibility:

All teachers identified to teach Mathematics in any Engineering College.

How to Register:

Registration form is available in the brochure or can be downloaded from CMREC college website. Duly filled in form with an amount of Rs.500 (through cheque / cash / online transfer) has to be submitted to the organizers on the first day of the program.

Registration includes Conference Kit , Tea , Lunch, Handouts including tutorials and exercises and a Participation Certificate.

Registration Fee: 500 Rs.

Account No.: 16401140002051

IFSC No.: HDFC0001640

Branch : Medchal

Important Dates:

Last date for registration: **June 8th,2017**

Commencement of the programme:

12th -17th June 2017

Transport:

Participants can avail college bus free of charge on these days which start from different locations of Hyderabad. Please check the college website for bus routes.
