

ABOUT COLLEGE

CMREC was established in 2010 in a vast area of 10 acres and a built up area of 16258.032 Sq.m. The college is affiliated to JNTU Hyderabad and is approved by All India Council for Technical Education, New Delhi.

CMR Engineering College (CMREC) is located in Hyderabad – Nagpur highway (NH44), tucked away from the hustle and bustle of the city and possessing halcyon surrounding. The college is an urban green lung with awe inspiring Wi-Fi enabled infrastructure, well ventilated classrooms, laboratories to foster technological skills, and libraries where books span time, space, culture and genre. To aid the process of learning we have a state-of-art auditorium where various events are conducted to showcase the creative flair of the students. As a provision for physical fitness, the college also has a sports field and indoor stadium.

CMREC was started with 240 seats with the Bachelor Degree in Engineering Programme, the institute has intake of 780 by offering Four Under Graduate Courses in ECE, CSE, IT and MECH and Post Graduate Courses in CSE, ES, VLSI, & TE. CMREC's rich campus is distinctively different from other college campuses across Hyderabad because of the dynamic community of supportive peers, caring and mentoring professors, and friendly staff who work here with commitment. It is an ideal setting for scholastic dedication, pleasant interaction and unbounded pragmatic exploration.

ABOUT DEPARTMENT

The Department of Information Technology started with an intake of 60 in 2017. To create a high quality academic and research environment, empower graduates to attain highest levels of excellence as IT professionals and produce innovative products and leaders to meet societal needs & global challenges.
