

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Refresher Course on “ENGINEERING MECHANICS”

Name of the Guests: Prof. T. Ratna Reddy
Dr. A. Nelson
Dr. U.M. Chaudhari
Dr. K.S. Reddy

Date of Training: 19-06-2017, Monday.

No. of Students: 80

Participants: Faculty Members

Venue: Seminar Hall, Mechanical Engg. Dept.

Faculty Coordinator: Mr. M. Harsha Vardhan, Asst. Prof.
Mr. A. Mahesh Babu, Asst. Prof.

The session started with Inauguration followed by welcoming and introducing the Guests. This ten days Refresher Course will cover following topics with hands on training.

- Applications of Engineering Mechanics in day to day
- Analysis of Stress and Resolution of Forces
- Moment of Inertia & Pappus and Guldinus Theorems
- Kinetics, SHM, D'Alemberts Principle
- Friction & Analysis of Friction
