DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Ch. Narsimha Reddy

Chairman

It's my great pleasure to extend heartfelt greetings to the readers of the first issue of the newsletter of CSE Department. I convey my hearty greetings and warm wishes to all the staff and students of CSE Dept. CMREC for their excellent performance during this academic year 2014-15. In a short span of time, our college had achieved tremendous accolades and has shown immaculate skill in countering the challenges in Engineering field. I congratulate all the students and staff for having reached their heights of performance.

I advise the students to take up some more challenges and become the partners in the changes brought in this global industry. At this juncture I would like to encourage young minds to utilize their youthful energy to the maximum and excel in the fields of their choice. We aspire that the excellent learning facilities provided by us are put to maximum use and further lead to the development of research.

Ch. Bhoopal Reddy

Vice Chairman

It makes me very happy that CSE Department is coming out with its newsletter 'CSENAPSE'. This being the first issue of this year, I would like to share some thoughts. We have been continuously organizing technical events which are always well-attended by our staff and students to develop their professional skills. Apart from organizing workshops, CSE department has organized many webinars, seminars and coordinated three technical fests. I would like to compliment the staff and students for their complete involvement in various programmes conducted in our college.

The newsletter provides a platform for communication among the members playing a key role in supporting the institution to fulfill its objectives. I'm very excited to offer you this newsletter. We hope that updates in our institution will keep you informed and connected.

NEWSLETTER

Ch. Srisailam Reddy

Secretary & Correspondent

I am delighted to know that CSE Department newsletter 'CSENAPSE' carrying its department news and achievement of its staff and students who earn credits for the institution is being released. It was our own ardent wish to reach out to teachers, parents, students, all our friends and well-wishers to provide a brief insight into our programs and activities on this gracious occasion. I am glad to find a considerable number of participants in co-curricular and extra-curricular activities which certainly prove that our staff and students are showing their untiring efforts to take our institution to greater heights.

Dr. A.S. Reddy

Principal

It gives me immense pleasure to release the newsletter of CSE department. A newsletter is an excellent medium to convey information between the college and the outside world.

As knowledge is power, focus must be given in grooming dynamic leader's not just graduates. Education is transmission of civilization. Our society needs enthusiasts with passion to transform our country into a 'face to reckon with'. I believe that the aim of education is the knowledge not of facts but of values. We have always behind in value based education, where quality education is imparted in an real time environment.

I convey my best wishes to the faculty and students of CSE department and wish that they continue their good work in the field of technology.

P. Vishvapathi

HOD

It gives me immense pleasure to introduce the newsletter of our department, CSENAPSE. I am extremely happy in releasing the newsletter which highlights the activities conducted by our department in this academic year. As it was said by Amos Bronson Alcott, a reformer, teacher, and philosopher, 'Observation than books, experience more than persons, are the prime educators. While academic excellence is our major thrust, the department is also devoted to prepare our students for life, groom them to face the challenges of tomorrow and encourages them is socially relevant. I congratulate all the faculty members on their sincere endeavours for their professional development and achieving excellence.
