ABOUT COLLEGE

CMR Engineering College was established in 2010 as a component of CMR Group of Institutions. It has come up in an area of 10 Acres with lush green environment with an aim to create a class of qualified, innovative and dynamic professionals for Engineering Sector. Our primary purpose is to enhance the professional life of students and develop their personality to meet the challenges of coming decades. This institution provides facilities to students to take part in Co-Curricular and extra Curricular activities which leads to overall personality development of the students in addition to excellence in academics.

VISION OF INSTITUTE

To be recognized as premier institution in offering value based and futuristic quality technical education to meet the technological needs of the society.

MISSION OF INSTITUTE

- To impart value based quality technical education through innovative teaching and learning methods.**
- To continuously produce employable technical graduates with advanced technical skills to meet the current and future technological needs of the society.**
- To prepare the graduates for higher learning with emphasis on academic and industrial research.**

ABOUT ECE DEPARTMENT

Established in the year 2010. The department has B.tech degree in Electronics and Communication Engineering with an intake of 240 students, and M.Tech in Embedded system, with an intake of 24.

PROF. C. ASHOK KUMAR
HOD ECE DEPARTMENT

It has the sophisticated and necessary infrastructural facilities that are required for imparting high quality education and the department is completely well structured to meet the contemporary needs of the industry.

VISION OF THE DEPARTMENT

- To promote excellence in technical education and scientific research in electronics and communication engineering for the benefit of society.

MISSION OF THE DEPARTMENT

- To impart excellent technical education with state of art facilities inculcating values and lifelong learning attitude.
- To develop core competence in our students imbining professional ethics and team spirit.
- To encourage research benefiting society through higher learning

PROGRAM EDUCATIONAL OBJECTIVES

- Students will be prepared to excel in their professional career & higher education in Electronics & Communication Engineering and allied fields through rigorous quality education.
- Students will be skilled with professional ethics, lifelong learning, teamwork and clear communications and capable of functioning responsibly in diverse environments for the beneficial development of society.
- Students will be trained so as to solve real life problems related to Electronics & Communications Engineering and allied fields for the benefits of society.

DEPARTMENTAL CLUB

PURPOSE OF THE CLUB:

Electronics and Communication Modulated Redefined Outwit Nook. The club has been working and organizing events to benefit student community like Robotics, Debates, Group Discussions and Guest lectures on recent technologies etc. The club promises to strive for nourishing the creative and innovative ideas of young engineers.

The department has its own students' council organizing various conferences, Workshops and seminars on the cutting-edge technologies to provide the students with a unique opportunity to keep in touch with the latest trends in the domain. The Council also encourages students to conduct various Online and Offline events so as to help them gather a good rapport with the staff and fellow students.

STUDENTS ACHIEVEMENTS

- A.Ujwala & Nava Mallika has participated in the “PROJECT EXPO” at “Sumshodini-13” held at KITS, 2013 on 4th & 5th March, 2013.
- Vishal Kulkarni & Mounika Grace has won 2nd prize for “Poster Presentation”, at “Sumshodini-13” held at KITS, 2013 on 4th & 5th, March, 2013
- Vikram.R.E & B.Ashwini has won 1st prize in “Paper Presentation” at “Sumshodini-13” held at KITS, 2013 on 4th & 5th March, 2013.
- Dileep & Dayanand has won 1st prize in “Technical Presentation” held at MLRIT on 21st & 22nd, MARCH, 2013.
- M.Mythri & S.Sangeetha has won 3rd prize in “TECNICAL QUIZ” held at MLRIT on 21st & 22nd, MARCH, 2013.
- R.Manasa & P.Naveen has won 2nd prize for “POSTER PRESENTATION” held at MLRIT on 21st & 22nd, MARCH, 2013.
- N.Malathi & A.Anusha has won 3rd prize for “Paper Presentation” held at MLRIT on 21st & 22nd, MARCH, 2013.
- N.Bharathi & G.Varija has participated in some events in Fest held at MLRIT on 21st & 22nd, MARCH, 2013.
- Vikram.R.E & Mounika Grace has won 1st prize in Technical Presentation on 15&16 march at HITAM college

FACULTY ACHIEVEMENTS

- R Shanker has participated in “Analog & digital VLSI using cadence tools” from 3rd Jan,2013 to 5thJan,2013 held at CMRIT
- Mr.Vamshidar Poreddi has participated in “Workshop on Embedded systems and Image Processing” from 27thjan 2013, to 28thJan,2013 held at MLR
- G. Suma has participated in “Programmable Systems on chip mixed signal Microcontroller” on 14thFeb,2013 held at MRCET
- Mr. Md. Jabirullah has participated in “Embedded systems & wireless communications” on 20th March,2013 & 21st March,2013 held atMRCET
- K. Vani has participated in “Rough sets approach for engineering applicatios” from 2ndApril,2013 to 5thApril,2013 held at MRCET
- G. Divya has participated in “Embedded systems & wireless communications” from 2ndApril,2013 to 5thApril,2013 held at MRCET
- K. Vani has participated in “Workshop on Embedded systems and Image Processing” from 26th April,2013 to 28thApril,2013 held at MLR

GUEST LECTURES

- A GUEST LECTURE ON “LOW POWER VLSI DESIGN” BY D.ASHOK KUMAR,Manager,AMD,HYDERABAD ON 26-02-2013 at CMREC.
- A GUEST LECTURE ON AUTOMATION BY C.S. Murthy Deputy Director OF ATI-EPI, ON 26-03-2013 at CMREC.
- A GUEST LECTURE ON “DIGITAL DESIGN THROUGH VERILOG ” BY MADAN GOPAL,UTS TECHNOLOGY ON 5-03-2013 at CMREC.
- A GUEST LECTURE ON ADVANCEMENTS IN EMBEDDED SYSTEMS BY BALAVANTH REDDY, MAGNI5TECH,HYDERABAD ON 4-03-2013 at CMREC.
- A GUEST LECTURE ON “PROFESSIONAL ETHICS” BY T.JAGADEESH ON 10-04-2013 at CMREC

EXTRA CURRICULAR ACTIVITIES

- A.Anusha has won First Prize in Throw Ball(women) conducted at RRS Engineering college,Hyderabad on March-2013.
- Dileep has won First Prize in Cricket conducted at RRS Engineering college,Hyderabad on March-2013.
- Vishal Kulkarni has won Second prize in Volley ball(men) conducted at MRCET,Hyderabad APRIL-2013.
- Dileep won second prize in Basket ball(men)conducted at MRCET Hyderabad on APRIL-2013.
- K.Lakshmi Rekha has won First Prize in Kho-kho(women) conducted at CMREC,Hyderabad on APRIL-2013.
- Monica Grace got First Prize in Hand ball(women) conducted at CMREC.Hyderabad on APRIL-2013.
- Dayanand got First Prize in Dance competition held at MREC,Hyderabad on APRIL-2013.
- Nava Mallika has won First Prize in Singing competition conducted at MRCET,Hyderabad on APRIL-2013.
- J.Naresh has got first prize in Cricket competition conducted at RRS Engineering college,Hyderabad on March-2013.
- ACHYUTH has participated in FOOT BALL(MEN) competition held at STPETERS Engineering college,Hyderabad on March-2013.
- Murali Krishna has Participated in TABLE TENNIS(MEN) competition held at ST.PETERS Engineering college,Hyderabad,APRI-2013.
